# Mu Phi Epsilon—Alpha Zeta Chapter

## Fall 2015 Alumni Dinner!

On November 7, 2015 the Alpha Zeta chapter held its Fall Alumni Dinner! The alumni members in attendance included Adam McAllister, Erica Weiner, Callie Dupree, and Briana Anderson!

The theme for this dinner was "Straight Broke, No Joke" which included many aspects of the broke college student life! We started off the dinner with board games and a movie showing complete with folding chairs and floor pillows (because we can't afford real chairs...get it?!?!). Afterward everyone helped themselves to the food and to some Phamily time! We enjoyed biscuit pizzas, mac and cheese,

generic chips and sodas, and a wide variety of Little Debbie cakes! The alumni let us know what's going on in their lives and we filled them in on what the Fraternity has been up to this semester.

To end the evening we played an exciting game of *Bibbity Boppity Bop!* in which each player tries to get the

other players out by a number of confusing methods!

Thank you to all members who were able to attend to show our alumni how much we love and miss them!

And thank you so much our to all of our alumni for your participation and your support! We can't wait until the Spring Alumni dinner! We love our alumni!

## AZ Chapter and Phi Mu Alpha Service Project!

On November 14th, 2015 the Alpha Zeta chapter of Mu Phi Epsilon teamed up with the Xi Theta chapter of Phi Mu Alpha Sinfonia for a group service project! Our goal was to clean the local river bank over several hours while continuing to build inter-fraternal bonds with our fellow music fraternity! Several members from both organizations were able to attend and, even though it was very cold, everyone had a great time and we collected an entire truck load of garbage and waste! A job well done from both chapters!

## Fall 2015 Progressive Dinner

On Friday November 6, 2015 the Alpha Zeta chapter held it's Fall Progressive Dinner! The theme for this semester's dinner was the Olympic Games! Organized by member Kayla Currie and the Social Committee the event was a great success!

The dinner was held at Grove United Methodist Church and the participants progressed throughout the church for each course where we enjoyed many different types of food from countries such as China, France, Mexico, Italy, Jamaica, and, of course, U.S.A. All of the members were split up into teams by country and the competition was fierce!

After the Opening Ceremony (complete with the lighting of the torch!) the first course was held in the basement of the church where we played the first round of the Olympic games: Ring Toss and Cookie Face! The second course was held upstairs where we played the Tissue Box Twerk Game and Tug-O-War! For the dessert course we had a doughnut eating competition and the last of the gold, silver, and bronze medals were handed out. Lastly we had the Closing Ceremony to congratulate our winners: Team Mexico! Although not everything went according to plan we had tons of fun nonetheless!

## Mu Phi Epsilon Southeast 1 District Conference!

On Sunday November 15, 2015 the Alpha Zeta chapter traveled to Greensboro, NC for the Southeast 1 District Conference! Six members of the AZ chapter and our Fall semester candidate were able to attend and we had an incredible time! We participated in professional development seminars, leadership seminars, a conference recital, and we were able to spend time with some old friends and meet some new ones! We were also able to participate in a district-wide Founder's Day event that joined all of the chapters in a special memorial event of Mu Phi Epsilon. We even got to introduce the other chapters to our new favorite game: Bippity Bop! We all had a wonderful time with our extended Phamily and we can't wait until next year's conference!

## Check Out Our Committees!

*This semester our Service Committee has created a goal of 500 hours of service from the chapter! We have already reached over half of our goal: 263 hours! We are super excited about achieving this goal and we invite our alumni to help us reach our goal! Keep track of our progress throughout the semester by watching the thermometer get red hot! And keep an eye out for all the service opportunities we have in store for this semester!!!*
