Pandemic Update

As the city of Radford, as well as the rest of the world, makes attempts to return to normal proceedings, it is important we announce that the mask mandate has been lifted from the University as of March 4, 2022. We are excited to return to having more normal events and social gatherings and are still practicing caution as we move forward. It is important to remember that while situations are returning to normal, the pandemic is still ongoing, and therefore we must continue to be vigilant of COVID-19.

Mu Phi AZ's Formal Recital

On Apr. 2, 2022 the Alpha Zeta chapter of Mu Phi Epsilon had our formal recital. The recital consisted of many songs that we have been working on in choir, as well as solo repertoire our members have been working on in lessons.

Jar-O-Surprises!

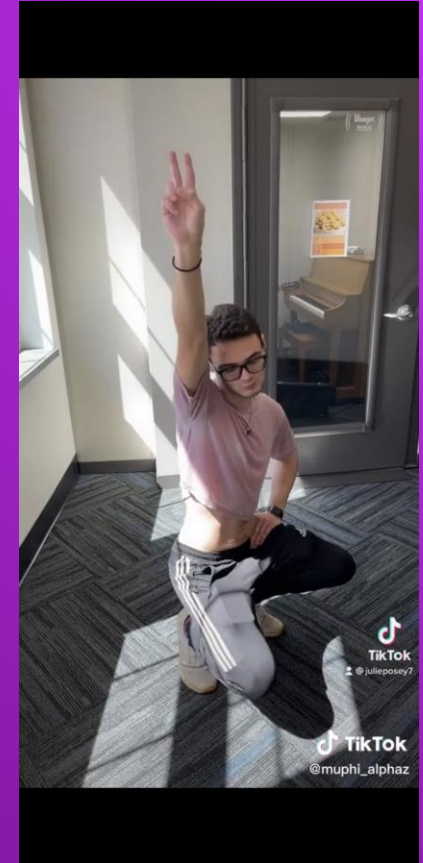

We had volunteers from our chapter for our Jar-O-Surprises fundraiser enter their names into the running to do a surprise by vote of the department. Each jar had either a name or a surprise on it and whichever of each had the most money by the end of the week, that was the surprise we got for a week. The people voted and Dakota won the prize of wearing a crop top for a whole week!

Can't forget about letters day!!

Thank you for the countless hours everyone spent at our table for this event!

Day 1 of our crop top fun!!

Donuts!

Anddy and Amelia twinning with their Big and Lil letters, as they sell donuts!

Thanks to our drivers who drove bright and early to pick up the donuts for the fundraiser!

Senior Roast/ Pass Downs

It has become a tradition in the fraternity to give our graduates a warm sendoff by having just a bit of lighthearted fun at their expense. After the graduates passed down their letters and fabrics, the members gave them lovely taunts, and then we had our tie-dye event.

Performances

Senior member Bradley Greiner had his senior recital on Apr. 5, 2022. He was met with grand applause and the embrace of four generations of the Ohana pham! Later that week, Bradley performed again, this time with his little, Michael Mangrum (sophomore) in the Department's Honor Recital which is held once per semester. They were chosen from many talented musicians to represent the most outstanding musicianship in the department.
