## A Message from the President! (and Vice President!)

I apologize for the late newsletter this month! It's been an incredibly busy first two weeks, but to be fair, I still have one day left in January! The current President and Vice President have a message to you about their plans for this semester! Thanks for your patience!

—Katie Metzler

"Being President has been on my mind ever since I was initiated in the Spring of 2012, but I never viewed myself actually in the position. Now that I'm here, I am ecstatic and ready to change things for the better. As the new President of the Alpha Zeta Chapter, I really want to

emphasize the camaraderie between the three music fraternities here on campus. We all love the same thing, music, so why not do it together? I am also going to emphasize doing more projects, and service that deals with the musical arts. We do a lot of community service here in the city, but not much in the way of music. We have just started the semester and have just chosen committees so there are no ideas yet, but I am expecting great things from our chapter. I am bringing back some old traditions (like speaking about the fraternities at a departmental) and trying to come up with some new ones as well. This

year is going great so far, and I only anticipating it getting better!"

## A Message from the President! (and Vice President!) cont.

"I'm so stoked to be the new VP. As the new Vice President, the biggest thing I'd like to accomplish is to help initiate a group of candidates that will help our fraternity to grow and become even more influential in our school and community. I'm

just really excited to play a big part in our Mu Phi Phamily and hope that I'm able to set an example for future members of our fraternity."
