Flannel Interest Party!

On December 1st at 7pm the AZ chapter hosted an interest party for all of the potential pledges for the spring semester! Alex Lyons and rush committee hosted an awesome event themed “Flannel Party!” Several potential pledges were in attendance and we played tons of fun games, including “Pin the Beard on the Lumberjack Baby”, “Quack Diddly Omar”, and “The Wind Blows Those”! Afterward we all headed to a bonfire and had s’mores and hot chocolate together! Thanks so much to Alex and rush committee for putting together such a great event!

Candidate Recital

On December 6, 2016, our candidate for the fall semester, Eric Garner, performed in his candidate recital. He is a senior, music business student, studying guitar. He performed a prelude by a lutenist, Sylvius Leopold Weiss. It was a very impressive performance and we are all very excited to initiate Eric into the Alpha Zeta Chapter of Mu Phi Epsilon.

Alumni Dinner Fall 2016!

On December 4, 2016, the Alpha Zeta Chapter held the Fall Alumni Dinner! We had three alumni attend including Adam McAllister, Tess Ward, and Liza Sutphin. While it was fewer people, we still had a great time with everyone that came to hang out with us!

The theme for this dinner was “Candy Land,” including a variety of desserts brought in by the members ranging from Brownies to Apple Pies. We also made frappuccinos, had hot apple cider, hot chocolate, and coffee! Social committee provided sandwich supplies as well. We started the dinner off with food of course and then moved into making some “new families.” We wrote all of the names of the people in attendance on cards and drew them by random creating new family lines. We then had a photo-op with our new families and current families. Thank you to all members who were able to attend to show our alumni how much we love and miss them! Thank you so much to all of our alumni for your participation and your support! We can’t wait until the Spring Alumni dinner! We love you alumni!

A Senior Recital—Kayla Short

On December 2, 2016, Mu Kappa's Kayla Short performed her senior recital titled "A Short Recital." The concert was well attended by students, faculty, and family. She performed many pieces as a solo performance, and then 2 pieces as a brass quintet. Three members of the brass quintet included brothers of the Xi Theta chapter from Phi Mu Alpha. Some of the highlights from the concert included: Maid of the Mist by Herbert L. Clarke and Etude No. 2 by Theo Charlier. Congratulations to Kayla and everyone involved in the recital for a wonderful performance.

Alpha Zeta Caroling!

On Wednesday, December 14, 2016, we had a few members go around campus caroling to the student body. This included, Becky Schwab, Katie Metzler, Megan Humphrey, Antoinette Tortorici, her sister, Adam McAllister, and Alex Lyons. We sang at the library, in Starbucks, and at many central locations on Radford's campus. It was a lot of fun to sing and spread holiday cheer to the students studying for their last day of finals.
