Pandemic Update

As the city of Radford, as well as the rest of the world, makes attempts to return to normal proceedings, it is important we announce that the mask mandate has been lifted from the University as of March 4, 2022. We are excited to return to having more normal events and social gatherings and are still practicing caution as we move forward. It is important to remember that while situations are returning to normal, the pandemic is still ongoing, and therefore we must continue to be vigilant of COVID-19.
